Fiscal Analysis

ASSUMPTIONS:

Department of Corrections

1. General fund cost for incarceration of a male inmate is approximately \$18,500 per year in a contract bed and the cost of incarceration of a female inmate is approximately \$23,700 per year in a contract bed. Costs would be slightly lower if convicted felons were placed in Pre-Release Centers and would be approximately \$1,350 per year if placed only on probation.
2. The department has no data allowing prediction of judicial sentencing patterns which would result from a conviction under this bill.

Department of Justice

3. There is no fiscal impact.

Judicial Branch

4. This bill could impact the court's dockets, but would not have a fiscal impact.
